

Peterborough Festival December Market

PO Box 34

Peterborough

SA 5422

Hi everyone,

The Peterborough Festival December Market is on again!

This year the markets will be held on **Saturday 7th of December 2019** and will be held on the grassed and paved area of the town square. Food stalls such as BBQ are to be on the grassed area to avoid soiling the concrete pavers.

Shelters must be weighted, **not pegged** down as there is a watering system under the grass.

I strongly urge everyone to make sure you have some shelter, as regardless of which location we end up using, shade will be at a minimum.

Stall sites are to be no more than 3m square, you must set up on your allocated site and larger stalls will incur an additional fee.

No pets or livestock permitted.

Stalls must be set up by 9am and **not** dismantled until after 3pm, unless sold out.

Shaded parking is available on Don Ferguson Drive and cars must **not be left on Main St between 9am and 3pm**. If no street parking is available, visitors won't stop.

Forms must be returned to me no later than November 29th 2019, after that date you cannot be guaranteed a site or insurance.

I look forward to hearing from you, and receiving your forms back.

Regards,

Maitie Hitchcock
