

Peterborough Festival 2022

PO Box 34
Peterborough
SA 5422

Hi everyone,

The Peterborough Festival is on again!

We are looking forward to another fantastic festival and hope you will all try to get to the many exhibitions, attractions, and events on offer.

This year the markets will be held on **Saturdays, 9th and 16th of April 2022** and will be located on the grassed and paved area of the town square. Food stalls such as BBQ are to be on the grassed area to avoid soiling the concrete pavers.

Shelters must be weighted, **not pegged** down as there is a watering system under the grass.

I strongly urge everyone to make sure you have some shelter, as regardless of which location we end up using, shade will be at a minimum.

Stall sites are to be no more than 3m square, you must set up on your allocated site and larger stalls will incur an additional fee.

No pets or livestock permitted.

Stalls must be set up between 8am and 9am and **not** dismantled until after 2pm, unless sold out.

Parking is available on Don Ferguson Drive and cars must **not be left on Main St between 9am and 2pm**. If no street parking is available, visitors won't stop.

Forms must be returned to me no later than April 1st 2022, after that date you cannot be guaranteed a site or insurance.

I look forward to hearing from you and receiving your forms back.

Regards,

Market Coordinator
